Please join us at the La Grange Center for a concert by Strings of Faith sharing inspired music to benefit Christ in the Wilderness. Our retreat center is located on 80 acres of rolling hills in Stockton, Illinois. This hermitage retreat center offers you the opportunity to take a break from all of the noise and stress of life, and to unwind in silence and solitude.

This fundraiser will help support operations and enable CITW to keep costs affordable so that anyone can enjoy time away to replenish soul and spirit.

Bring your friends and meet new ones as you take a break from all of the noise and stress of life!

Enjoy an afternoon of music celebrating the faith that is central to our lives and the mission of Christ in the Wilderness ministry.

"Thank you for your beautiful music and the time and talents that you share with others."
Eugenia

"We feel honored to have Strings of Faith help us celebrate our special day."
Andy

"Your words, music and voices enhanced an already special evening into a truly spectacular evening! There was no mistaking, the presence of our God and the Holy Spirit filled that entire church and came alive in each one of you."

Nancy
